

PRESQUE ISLE TOWNSHIP
Resolution 2021- 8
Reorganization of Presque Isle Township Fire Department

WHEREAS, the Presque Isle Township Board of Trustees recognizes the exceptional work done by Presque Isle Township Fire Department employees and volunteers, and

WHEREAS, The Department is nearing completion of as management/response contract with the City of Alpena after which it will be on its own, and

WHEREAS, A sound organizational model, consistent with the National Incident Management System is important, as is leveraging talent available within the Department, and

WHEREAS, Michigan law requires that an organized fire department have a designated fire chief, who serves as both the chief operational officer and administrative head of the Department, and

WHEREAS, Michigan Occupational Safety and Health regulations require that the fire chief have certain requisite training and experience,

NOW THEREFORE BE IT RESOLVED THAT,

Bill Forbush is appointed Fire Chief of the Presque Isle Township Fire Department

The Township Fire Board is discontinued in its present form, and folded into the Department as the finance and logistics section reporting to the fire chief.

The fire chief is authorized to make such appointments and promotions within the Department as may be necessary, and shall communicate any such appointments or promotions to the Township Board in writing or at their next regular meeting.

The Presque Isle Township Fire Department Comprehensive Progress and Reorganizational Plan dated 4/12/21 is hereby adopted as an official plan of Presque Isle Township on this 13 day of April 2021.
