

“The Old Presque Isle lighthouse Pumpkin Stroll” ~~

October 14, 2023

At the P.I. marina to the old (haunted) lighthouse,
through the woods.

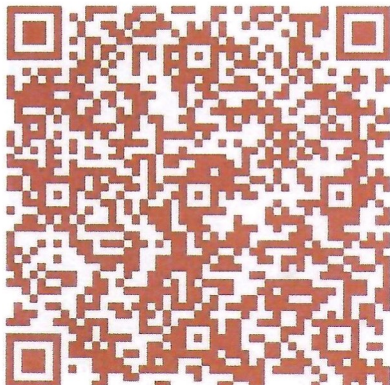

1/4 mile trail.

**Needed: community effort to carve (many hopefully) of
your own pumpkins and then bring your finished jack-
o'-lanterns to me before the evening event.**

(Jill VanAssche at 6253 East Grand Lake Rd)

The event will be from 7:30pm until approximately
9pm.

*****Pumpkins should each contain one battery
operated candle or glow stick, no open flames please,
if you intend to pick up your pumpkins afterwards,
please put your name in permanent marker on the
backs. Dropped off and my volunteers will setup the
trail.**

**THIS IS A 1/4 MILE PATHWAY SO
IT WOULD BE GREAT TO HAVE
LOTS OF COMMUNITY
PARTICIPATION TO MAKE THIS
EVEN BETTER THAN LAST YEAR
!!!! HAVE CARVING PARTIES !!!!**

I am hoping you will help me
continue to make this a fun and
exciting fall family fun evening
and tradition. Follow our
Facebook page for information.
