## Q12 What are some problems you feel need to be addressed in Presque Isle Township?

Answered: 234 Skipped: 188

#	RESPONSES	DATE
1	Limited dining out options.	1/1/2023 3:26 PM
2	Large construction additions to Grand Lake. (Huge houses replacing smaller cottages)	12/31/2022 8:10 PM
3	Roads need improvement in areas. Recycling gets extremely over full throught the summer. Getting answers on when calls are placed is not timely or gets passed on with no answers. The ability to not allow us to preserve waterfront property appropriately by being able to put up a break wall that is effective and prevents serious erosion.	12/31/2022 7:38 PM
4	More restaurants and a grocery store	12/31/2022 4:32 PM
5	Roadside cleaning. Street signage. Adopt "dark-sky" process. Improve fire-department address marking. Improve fire-department budget.	12/31/2022 3:20 PM
6	I fear that we have more people moving up here, who want to make PI more suburban. I don't want to see acres of trees torn down for condos or businesses. I'm not against new people and businesses moving here, however, move into a building or home that is already built. For example, Woody's is an amazing asset to our community. They repurposed an old building and made it better. The house next to the Portage Store is being made into a restaurant / bar and that's awesome! I fear that too many people with big pocket books are able to get away with too much around here. I think the condo situation was not handled well.	12/31/2022 11:43 AM
7	Better planning on future development to maintain the core aspects and charm of the area. It might cost more to develop initially but long term tourism growth is better. Having worked in autograph hotel branding, the best resorts and destinations maintained the character of the area.	12/31/2022 11:22 AM
8	Controlling development and losing the township's unique character	12/31/2022 10:45 AM

11	I'm also answering #11 here, for I have hope that life in Presque Isle will get better. I'd like to try to keep our wild-life and nature as much as possible. I don't want it to look like the city that I moved from.	12/31/2022 12:51 AM
12	Internet options	12/30/2022 6:38 PM

17	Expansion	12/29/2022 1:45 PM
18	Lack of cell service and reliable internet at a reasonable cost. Too few recycling containers.	12/29/2022 12:17 PM

104	compliance with zoning ordinances, speeding through neighborhoods	12/7/2022 6:07 PM
105	Lack of internet, lack of restaurants,	12/7/2022 6:05 PM
106	Recycling is a bigger issue than I'd like.	12/7/2022 5:50 PM
107	Cellular and WIFI coverage.	12/7/2022 5:16 PM
108	Lack of social gathering place, lack of participation in township business by residents	12/7/2022 5:06 PM
109	There is a lack of communication about what is going on, the demolition of the old harbor restaurant for example.	12/7/2022 4:55 PM
110	I'm concerned that Presque Isle will become over built with condo's and crowding like the west side of the state.	12/7/2022 4:46 PM
111	Some of the roads are getting pretty bad. Namely, Grand Lake Blvd.	12/7/2022 4:17 PM
112	Lack of retail. Lack of multi-family and low income housing.	12/7/2022 3:48 PM
113	Too many ordinances, feels like living in a city but we are in the woods.	12/7/2022 3:01 PM
114	The association. From my understanding your house or lot has to fall in a certain place for you to be able to become a member at least that's how it used to be. My boyfriend and I would love to be apart of the community more but our house isn't apart of the association and I think it's funny that you can't just pay a membership fee to join. Maybe I don't understand how it works but it seems to be a pretty closed off group for a group that wants to be a part of the community so bad.	12/7/2022 2:05 PM
115	Keep it simple.	12/7/2022 1:53 PM
116	Developers and commercial business invading our quiet environment. Expensive multi-dwelling development ruining the beauty we have now. Large businesses doing the same. Our locally owned and operated businesses do just fine for us.	12/7/2022 12:20 PM
117	Too many outsiders being invited in!	12/7/2022 10:28 AM
118	rental units that don't respect other people's property	12/7/2022 9:19 AM
119	New business and housing	12/7/2022 8:39 AM
120	There's a lack of restaurants and retail options in the area.	12/7/2022 8:35 AM
121	The desire of some people to expand the area into " the next Traverse City". Traverse city already exists, those that want to live there should do so.	12/6/2022 3:43 PM
122	internet and cell phone service	12/6/2022 12:27 PM
123	It seems like the township is too interested in development. That will cause use to lose the rural integrity of the area. If people want more amenities then they should live in the city.	12/6/2022 11:11 AM
124	It's not the Township I worry about It's the association Transient people have more rights in & around the association than Dues paying citizens do!	12/6/2022 7:22 AM
125	The "power of no" needs to cease. NE MI won't grow if you don't develop it. Everyone wants to close the door behind them once THEY arrive.	12/6/2022 4:17 AM
126	Roads and internet but that is being addressed!	12/5/2022 7:00 PM
127	Lack of high speed internet and wait on PIEG fiber to get to this area. ncrease in short term rentals and seasonal/weekenders that result in increase use and often overflow recycle bins at twp hall.	12/5/2022 5:19 PM
128	More shopping options, more internet options	12/5/2022 4:03 PM
129	None that I can think of.	12/5/2022 11:03 AM
130	the roads are awful!	12/5/2022 10:59 AM

Presque Isle Township Master Plan Survey 2022

131	Better (safer) biking access along Grand Lake road from Besser to Whiskey Point rd.	12/5/2022 9:56 AM
132	I am concerned for the development of multi-unit dwellings, and even the large homes being built around Grand Lake. I think it would be better if we could keep some of the woods look around the lake. Mant of the new home strip the land of trees, especially along the waterfronts.	12/5/2022 9:20 AM
133	the road speed limits or no speed limit even though posted	12/5/2022 8:50 AM
134	recycling pickup at house should be offered even at a cost.	12/5/2022 6:56 AM
135	Overdevelopment	12/5/2022 6:00 AM
136	People that are not welcoming to bringing in tourism. I love Presque Isle, but I worry that places that were part of my childhood will not still be around years down the line because there won't be the money from tourism to support it.	12/4/2022 5:46 PM
137	Growth projections	12/4/2022 5:01 PM
138	More restaurants but we have a couple of new ones	12/4/2022 4:33 PM
139	Would be nice to have a restaurant in old Portage restaurant building.	12/4/2022 12:41 PM
140	Blight such as unfinished houses and old cars in yards eg Grand Lake Rd near lotus Pond). Roads deteriorating. Non scenic businesses such as storage buildings visible from Grand Lake Rd with no landscaping. Pole Barns visible from roads with no berm.	12/4/2022 12:01 PM
141	The lack of businesses to service the community, the vocal negativity from business owners who dislike other business owners. Some properties that are in such disrepair they should be razed. The lack of robust community programs to cater to an aging population, and the lack of robust community programs to repopulate a declining populace.	12/4/2022 11:39 AM
142	More community involvement to keep positive attributes of the area intact for years to come along with maintaining services and events as well as starting new ones.	12/4/2022 11:24 AM
143	They need a billboard to allow businesses in the area to advertise	12/4/2022 11:08 AM
144	No access to natural gas as a heating source.	12/4/2022 10:53 AM
145	better internet to all homes; better phone reception	12/4/2022 10:06 AM
146	I worry about what will happen with the quarry when that company leaves.	12/4/2022 9:22 AM
147	The taxes are very high!	12/4/2022 8:59 AM
148	Speed limit of 55, north of the post office	12/4/2022 8:58 AM
149	Improved recycling.	12/4/2022 8:41 AM
150	More people moving into the area. Lots of traffic and litter coming with it. The condos going in near the Association that will push more wildlife out and fear of them becoming something other than intended.	12/4/2022 8:36 AM
151	People who rent out there homes Work with dnr to keep nature healthy Keep the township rural	12/4/2022 8:00 AM
152	Internet access	12/4/2022 7:26 AM
153	Stop selling land for development. The exploitation of natural resources.	12/4/2022 7:26 AM
154	The general feeling that any development is bad. People don't want anything to change. We need amenities, restaurants, etc	12/4/2022 7:04 AM
155	Keeping the area the same from the stand point of not developing the area commercially.	12/4/2022 6:15 AM
156	I don't have any problems with PI Twp.	12/4/2022 6:00 AM
157	No bike pathways on highway	12/4/2022 5:54 AM
158	Hiking areas could use a little work, because my family and I love to hike, but have to go out of town to do it. And maybe add more trails to the area.	12/4/2022 1:01 AM
159	Stop trying to turn presque isle into a tourist trap. People that live here need to remember what they loved about the area that caused them to move and stop trying to "improve " it. Its perfect as it is.	12/3/2022 11:59 PM

Presque Isle Township Master Plan Survey 2022

160	We need to preserve our natural resources and beauty of the area. While development is inevitable it needs to be respectful of our natural resources.	12/3/2022 10:08 PM
161	Township zoning enforcement	12/3/2022 8:55 PM
162	Can't think of any	12/3/2022 8:52 PM
163	Better access to reliable internet service.	12/3/2022 8:20 PM
164	Garbage pickup and recycling May through September.	12/3/2022 8:19 PM
165	Land ownership	12/3/2022 8:05 PM
166	Short term rentals destroying neighborhoods, they are like a crack house of unknowns in and out , an amusement park and a 24 hour 7/11.	12/3/2022 7:57 PM
167	Recycling and food options	12/3/2022 7:43 PM
168	I don't see any but I see how some could see the lack of infrastructure as a problem.	12/3/2022 7:33 PM
169	We need leash ordinance signs for pets! Animals roam freely with owners causing people to get bitten or dog fights. Dog ban on our small beaches as they are filled with dog waste. Extremely unsanitary /unhealthy. I own a dog and keep him off our beaches. Fire ban on our beaches We have burned wood strewn around the sand. It's a fire hazard too for the community. I see this every week during the summer. Wifi has been a known issue but is being resolved. Lower speed limits in some areas by beaches. It seems like way too many trees are being cut down. The paths are being widened so much as you can drive a car down some of them now. Also people are destroying some trails with quads etc. it's not allowed yet it's being done. Some growth here is good but we need to be savvy environmentally .	12/3/2022 7:25 PM
170	Traffic, land clearing and development.	12/3/2022 3:45 PM
171	More full time retail and restaurant options for residents. Update community meetings to provide online virtual access.	12/3/2022 12:49 PM
172	Residents are opposed to putting in a road to connect Evergreen and Warren Creek Roads. We have be3n paying taxes for 38 years and can't get to our property.	12/2/2022 10:44 AM
173	Please see my responses to question #9. Just a continued focus on those items. Also...do whatever you can to minimize the amount of timbering and mineral extraction from the land. Maybe find a way to start a non-profit supported by donations and fundraising to purchase land in the area.	12/2/2022 10:12 AM
174	Preparing for the future, better planning, improving the infrastructure and parks.	12/2/2022 9:32 AM
175	Drama from residents Taxes	12/1/2022 5:45 PM
176	Short term rentals	12/1/2022 3:59 PM
177	Unenforced blight and building code ordinances on prominent properties on E Grand Lake Rd right in the heart of our community.	12/1/2022 2:24 PM
178	POLITICAL TRANSPARENCY & COMMUNICATION, timely law enforcement, road maintenance	11/15/2022 9:54 AM
179	Growth. Although not a bad thing, the streets now have trash along the roads, rentals bring noise, and a lack of respect for others.	11/13/2022 12:19 PM
180	Internet service, restaurant, quality medical care, retail store, senior living services including housing	11/12/2022 8:37 PM
181	Better cellular service	11/12/2022 5:57 PM
182	the development noses in other people business, and the crybabys	11/12/2022 2:51 PM
183	We need to not have fire works in our township for the fourth. Leaving too much litter on our shore lines. We need to encourage people to go to alpena and or rogers city for firework displays.	11/12/2022 2:21 PM
184	Would like more 4*4 and snowmobile access.	11/12/2022 10:56 AM
185	Trash on roads and around recycle bins	11/12/2022 10:33 AM

Presque Isle Township Master Plan Survey 2022

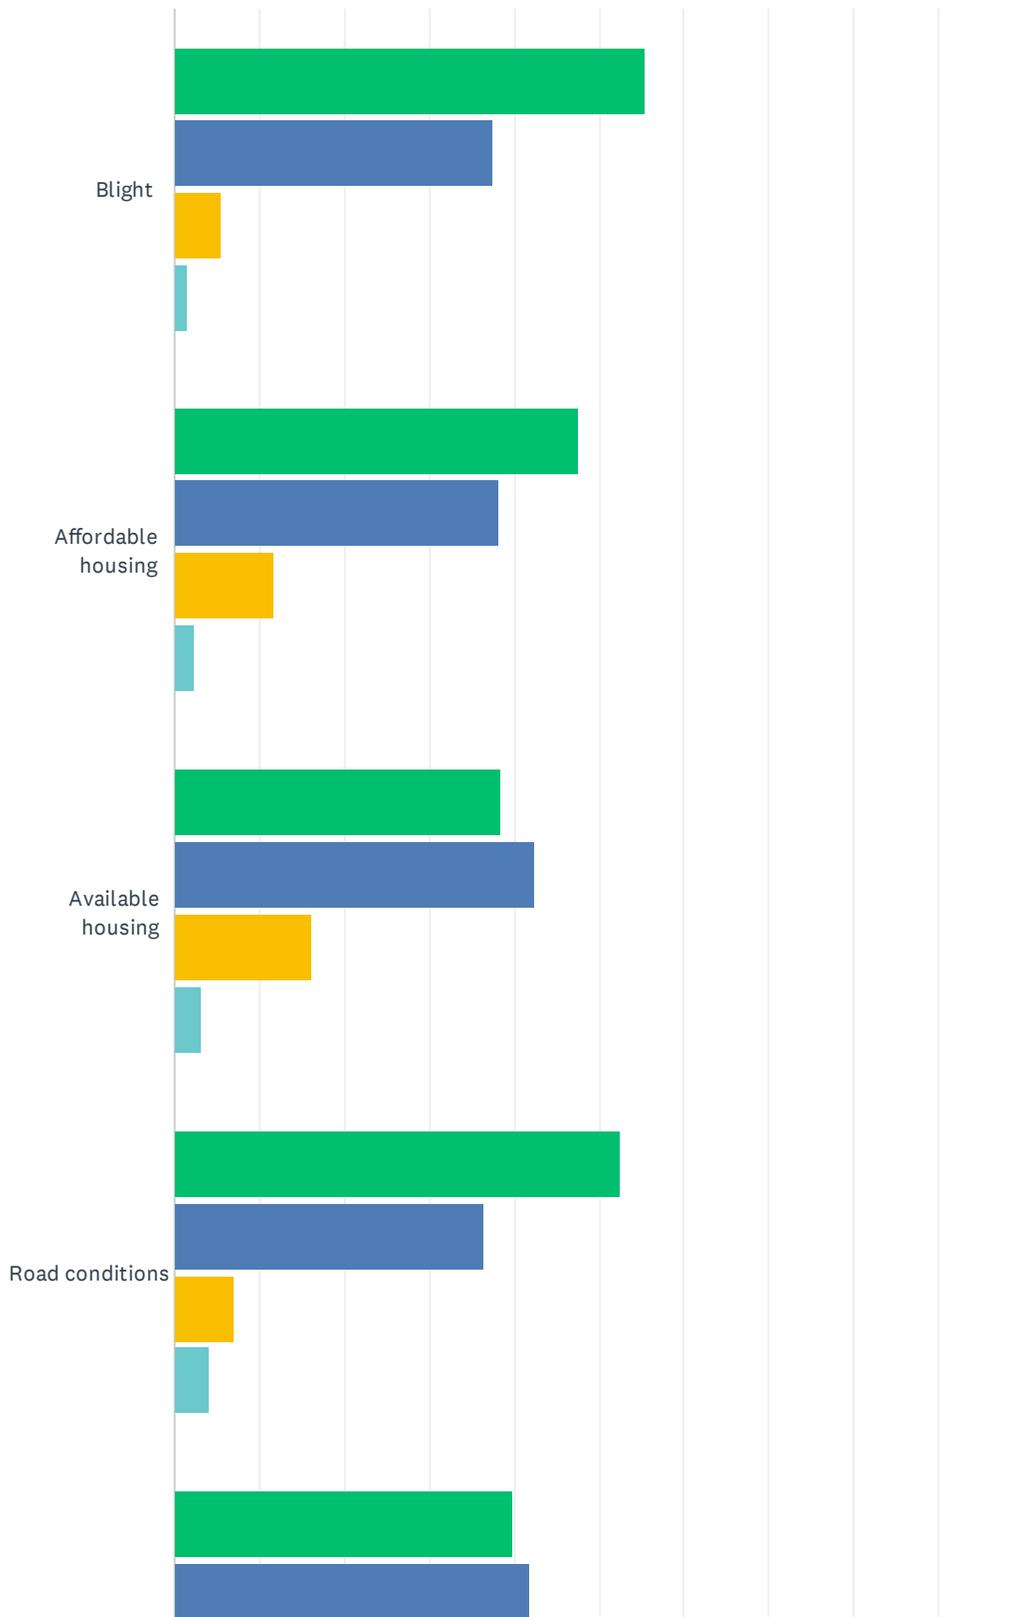

186	Too many newbees	11/12/2022 8:36 AM
187	Better cell phone coverage, better internet is needed. Unblock the old snowmobile trails, DNR is WAY too "punitive" and yet won't make new trails, it seems they want the state park to be un-used in many instances. We need to modernize our recycling program and have more bins.	11/11/2022 10:20 PM
188	Internet and better cell phone service	11/11/2022 10:07 PM
189	make my road non-private. nobody chips in on plowing or maintenance	11/11/2022 8:53 PM
190	Roads, lake usage wake board boats/shore erosion, trash in yards , unfinished construction projects	11/11/2022 8:48 PM
191	Condos and DNR	11/11/2022 8:12 PM
192	Quality & reasonably priced Internet access	11/11/2022 7:24 PM
193	Golf carts being driven recklessly by children. Lack of affordable, consistent internet	11/11/2022 6:29 PM
194	Internet options.	11/11/2022 6:14 PM
195	We need natural gas!	11/11/2022 5:42 PM
196	Too many ordinances and no enforcement of the ordinances	11/11/2022 4:54 PM
197	Like the addition of modern convinces however we don't need to ruin the quiet atmosphere and bring in a ton of tourism.	11/11/2022 4:31 PM
198	Creeping development and lack of conservation oversight.	11/11/2022 4:09 PM
199	Growth and too many people. I'm concerned with tour busses at Lighthouses, etc. It would be great to control the growth	11/11/2022 4:09 PM
200	YEAR ROUND RENTALS. Also a place for those of us aging can move to and not have to leave the area. Condos, full life center, medical clinic.	11/11/2022 4:09 PM
201	Stop new development. What people come here for is slowly being destroyed by the very people who seek it out.	11/11/2022 3:31 PM
202	Speed limits on residential streets. People drive way too fast!	11/11/2022 3:23 PM
203	Limiting medium and high density housing. Limiting Airbnb and short term rentals. Finding better ways to recycle as it's such an issue in the summertime	11/11/2022 3:14 PM
204	Do not bring condos to the area. Do not bring in big businesses like dollar general. Stay as a small and strong community. Alpena and Rogers city can ruin their towns but Presque isle should preserve history.	11/11/2022 2:44 PM
205	Giant homes with big tax bills driving up values for regular local people who want to live here. Eliminating the cottages by selling to wealthier out of towners who dont respect the culture. Also people complaining about lake levels when They purchased land that was already low. What did they expect?! And lastly doing activities at disturb the neighbors. Noisy boating leaf blowing parties and bands. Disrupting the peaceful quiet atmosphere of the area.	11/11/2022 2:35 PM
206	I think better communication by the township board like mailings of meetings day and times etc. seems most meetings are during the fall/winter months while the seasonal owners are away . This is a disservice to them and the input from a large portion of property owners in the township.	11/11/2022 1:37 PM
207	Dependable and lower cost internet service. The PIE&G still a year or more out Not working to resolve the issues for Spectrum, that keep them from serving more of the area Not putting in proper policies in place to manage the growth in the area. Presque Isle Association has failed to grow, has been the biggest burden for past due taxes/tax sales with nothing done to desolve it.	11/11/2022 12:30 PM
208	Commercialization of residential areas. VRBOs are essential, but also need guard rails for the neighbors and community.	11/11/2022 11:54 AM
209	I do not see many organized events outside of those planned by PIHA, GLA and GL library (which was very dependent on Sandy's influence) Very little offered by Parks and Rec.	11/11/2022 11:13 AM
210	We need a full time ambulance and more money for the fire department. Need to continue to	11/11/2022 10:29 AM

Presque Isle Township Master Plan Survey 2022

	develop social activities in the community..	
211	To low of housing brings in a different type of community	11/11/2022 10:13 AM
212	Need to consider input from a broader group of people and be willing to make changes in the status quo. Move leadership to volunteer positions after a term for a bit to bring in new ideas and try changes. See what works and what doesn't.	11/11/2022 10:13 AM
213	A little more development to support new retail. Needs an urgent care.	11/11/2022 10:01 AM
214	Poor road conditions. Lack of walking trails and paths. Lack of parks along the lakes.	11/11/2022 9:58 AM
215	If the same people are running the Townships nothing will change. Time for some new blood to be allowed to participate. Other wise we will be in the exact same place in 5,10,15 years as we are today The roads, a park back at lookout point, the Harbor	11/11/2022 9:57 AM
216	Better internet	11/11/2022 9:55 AM
217	Crime and drugs	11/11/2022 9:51 AM
218	A large part of the appeal of Presque Isle Township is that it is a small community. There is no reason to grow larger or attract tourism to the area. Not everything has to be about growth and profitability.	11/11/2022 9:46 AM
219	Better support for existing owners when newcomers arrive and build.	11/11/2022 9:37 AM
220	People driving over center line. Illegal ATVs usage on power lines, internet availability, plowing of roads in winter in a timely manner. 2 days later and roads aren't plowed is unacceptable or not until 4pm if they are. It shouldn't take 30 minutes for ems to arrive we you are less than 7 miles away, water infrastructure not working hydrants or leaking hydrants	11/11/2022 9:23 AM
221	Building restrictions need to be tighter if the desire is to maintain the spirit if PI. Mega mansions built close to waterfront, towering above the treeline blocking out lighthouse view.	11/11/2022 9:13 AM
222	Abrasive township leadership	11/11/2022 9:09 AM
223	Internet access	11/11/2022 9:01 AM
224	lack of high-speed internet and reliable cell service	11/11/2022 8:58 AM
225	Multifamily developments should not be allowed	11/11/2022 8:49 AM
226	taxes too high	11/11/2022 8:48 AM
227	Declining care of the harbor	11/11/2022 8:47 AM
228	People's speed driving through the area, including PIHA. Keeping large development out. We do not need numerous condo developments.	11/11/2022 8:38 AM
229	I am worried about the condo development	11/11/2022 8:35 AM
230	Internet!!!!	11/11/2022 8:32 AM
231	Internet service and our water supply company.	11/11/2022 8:32 AM
232	Recycling. More preservation.	11/11/2022 8:25 AM
233	There is no access to anything for ORV and snowmobiles to get to the trailheads. Everyone in our community complains about the DNR and lack of maintenance they do at our harbor. Fencing down for years, won't turn on sprinkler system because they said they will have to cut more grass, now it's just dead. Our DNR at harbor is lazy and the community is well aware. We are also a golf cart community, yet they blocked off any access our local has to the small light house, small trails all because of one person who is part of the twsp. Apparently money gets you what you want here on the board though. New Condos getting approved and BS zoning paperwork was a perfect example since investor was not only a board member but president of association in PI.	11/11/2022 7:55 AM
234	blight with some homes not being finished Short term rentals disrupting quiet neighborhoods Fireside Inn being subdivided possibly	11/10/2022 8:30 PM

#	OTHER (PLEASE SPECIFY)	DATE
1	I have a huge issue with short term vacation rentals not registering with the township. There's so many issues because of this. The township needs to find a way to regulate these rentals.	12/31/2022 11:43 AM
2	Biggest issue I see is lack of clear value. Picture a business mission statement but in the context of a community. What are the values the community wants to encourage? Cooperation seems to be polarized but everyone wants similar things just the process is different.	12/31/2022 11:22 AM
3	I am very concerned about keeping our wild-life & beautiful nature.	12/31/2022 12:51 AM
4	Illegal/unpermitted shoreline armoring	12/30/2022 6:38 PM
5	Township officials listening to the property owners and working with them	12/20/2022 11:49 AM
6	lack of housing for seniors i.e. assisted living facility (folks don't want to leave friends to live in R.C or Alpena)	12/18/2022 1:47 PM
7	Poor enforcement of zoning/planning codes	12/18/2022 11:09 AM

9	Develop the harbor area (tastefully in keeping with the character of our area) to make it a hub of activity for boaters, visitors, and residents. For example, a coffee/donut/bake shop, dedicated souvenirs/sweet shop. Park & playground where the old Portage restaurant was torn down. Most of these services are reasonably close in Rogers City, but keep any new businesses in keeping with the character of the area. No more chain businesses needed... Dollar General is plenty...it has no local character, but it does fill a need...I prefer to check local lake businesses before going there. 1	Most Parks are on the North end of Grand Lake and it would be nice to have parks in other areas of the township.	12/31/2022 8:18 PM
2	What's the relationship between township and parks? Can township develop the parks better?	12/31/2022 10:20 AM
3	I think that mowing down the trees by the newest light house was a mistake! It looks terrible. I'm hoping that this survey leans toward keeping our "small town" feel. So, I am happy that you are doing this.	12/31/2022 1:35 AM
4	Taxes are high for a senior community.	12/29/2022 6:56 AM
5	More signs and posting for trails	12/28/2022 9:23 AM
6	I feel our Township is run in an impartial manner-meaning preference is not given to either waterfront or forest landowners; this was not always the case.	12/27/2022 9:39 PM
7	township ordinances need to be better enforced. We need a zoning administrator separate from a township administrator. We also need township decisions made in a more transparent fashion	12/27/2022 2:17 PM

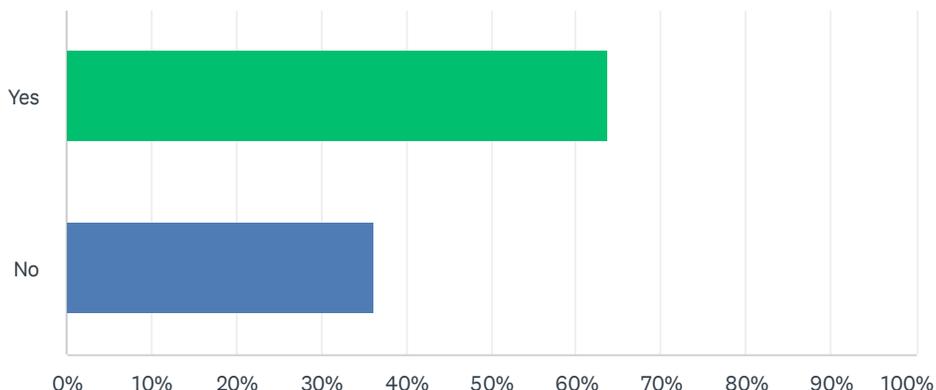

## Presque Isle Township Master Plan Survey 2022

with open, democratic processes (i.e., not behind closed doors)

8	Laure Spencer screwed up my assessment & I had to spend many hours of my time to correct it. Steve Lang wrote me a citation which didn't make it to court because Steve Lang isn't intelligent enough to read the ordinance that he was trying to enforce and it got thrown out.	12/26/2022 7:56 AM
9	Assessed value was higher than 50% of purchase price. Nothing assesses the value of a home better than a sale, especially after a lengthy time on the market.	12/23/2022 5:09 PM
10	need less regulation, past experience with tax assessing not good	12/23/2022 11:51 AM
11	No enforcement of local ordinances. Not customer service oriented.	12/22/2022 9:52 PM
12	Township officials have no concept of customer service. Everything is at their convenience and they act like they are doing you a favor if they return your call. Office hours are regularly cancelled for the slightest reason. Zoning official is sick more often then on the job. The goal of Township government should be to be as helpful as possible to their tax payers.	12/20/2022 12:04 PM
13	Difficult if not impossible to contact appropriate individual	12/19/2022 4:05 PM
14	Provide more dumpsters during known peak times. Come to an agreement with other townships to see that all of Grand Lake is served by the closest, most expedient emergency aid for fire, medical, etc.	12/18/2022 3:01 PM
15	what parks?	12/18/2022 1:57 PM
16	Poor planning and code enforcement	12/18/2022 11:16 AM
17	Zoning exemptions aren't even physically looked at. Can't even keep a consistent Grand Lake level.	12/13/2022 4:33 PM
18	It seems to work	12/13/2022 11:07 AM
19	Township does not enforce existing ordinances and fails to explain details of circumstances regarding questionable decisions.	12/12/2022 1:11 PM
20	Taxes just keep going up.	12/6/2022 3:51 PM
21	There seems to be appropriate services for a rural area. The recycling area should be on a maintenance schedule since people can't pick up after themselves.	12/6/2022 11:28 AM
22	Dedicated members in each deparatment	12/5/2022 11:11 AM
23	Only issue I've had was the transition of tax billing between the Twp. and county office	12/5/2022 9:34 AM

28	Grooming the beaches, and taking out the shrubs would be nice.	12/4/2022 1:11 AM
29	So far have not given us a solution to our problem.	12/2/2022 11:22 AM
30	Severe lack of transparency and communication	11/15/2022 10:37 AM
31	Basically we don't hear about what they do or what they're responsible for. But trails, outdoor buildings need updating and fixed up	11/11/2022 4:24 PM
32	Treasurer is struggling. Can we transfer that service to the county?	11/11/2022 12:02 PM
33	Didn't get our tax bill. Tax bill did not clearly note a special assessment which resulted in a problem with state taxes.	11/11/2022 11:24 AM
34	It's rural. You get what you get	11/11/2022 9:33 AM

1	Livestock (chickens) should not be allowed to roam to properties not owned by the livestock owner. I could not find appropriate ordinance regarding livestock in the township, specifically in residential areas.	12/31/2022 8:18 PM
2	I think it needs improvement. For instance this survey should be on the township website.	12/31/2022 11:33 AM
3	I'd change the website to show the most recent things first. So, that a person doesn't have to scroll to find the most recent events.	12/31/2022 1:35 AM

11	Put a link to the newest information on the home page instead of nesting it under a certain department. This way your webpage is always "fresh."	12/20/2022 4:17 PM
12	The information is poorly organized, agendas put up at the last minute, draft minutes delayed, links that do not work. It appears that info just gets added in a haphazard way and no one is actually administering the site or cleaning it up	12/20/2022 12:04 PM

25	Please give us someone to contact in Lansing to help us get a road to our 10 acres of property on Grand Lake. Also we don't feel that we should have to continue paying taxes on property that we can't get to or use!	12/2/2022 11:22 AM
26	The lack of historical, pertinent, and timely resource data on the website is deplorable. Text size inconsistency creates visual chaos.	11/15/2022 10:37 AM

50	There are numerous activities offered in this area so people can be as busy and involved as they choose to be. As for medical services, that is a challenge, but do we want offices - of any kind - taking over this rural area?	12/5/2022 11:11 AM
51	No... But (example) I would suggest continued efforts to manage funds collection for the fireworks... Not so much concern for growing the township as protecting and maintaining the existing functions that have kept it being a great place... (unique in Michigan)	12/5/2022 9:34 AM
52	More weekend events all year mostly in the summer	12/4/2022 4:43 PM

62	PIs work on protecting the natural environment. This place has people squatting and trespassing on private property often in summer. More human trash and human fecal matter on beaches than ever. Keep this place special. People don't come here for jobs and great shopping. It's the natural beauty and quiet and wildlife. PIs no tv trails. It will have a massive ripple effect that's not good. Contract out with Huron pines. They have done a marvelous job in Rogers city.	12/3/2022 7:33 PM
63	Restaurant / bar / hiking trails / downhill ski hills	12/3/2022 4:04 PM
64	No, If it ain't broke, don't fix it. We moved here for the peace and quiet to get away from people and problems. Stop creating more problems. You don't have to always be doing something. Just let it ride.	12/3/2022 3:57 PM

## Q31 What improvements do you feel are needed at the New Presque Isle Lighthouse Park?

1	Return of the gift shop that has more items for sale.	1/1/2023 3:44 PM
2	WiFi	12/31/2022 10:50 PM
3	We enjoy the hiking paths and would enjoy more. More playground equipment would be nice. A pier into the lake would be nice.	12/31/2022 8:24 PM
4	None	12/31/2022 7:52 PM
5	Redo the tree markers along the trails	12/31/2022 10:56 AM
6	Coffee shop or deli so visitors can eat and enjoy the area, with indoor seating	12/31/2022 10:21 AM
7	Porcupine control, restroom improvement, storm damage repairs	12/31/2022 10:07 AM
8	Rebuild original structures like the old barn. New grills and picnic tables.	12/30/2022 6:19 PM
9	Would like to see a return to the old style light rather than the blinking LED	12/30/2022 4:23 PM
10	No immediate recommendations	12/30/2022 12:19 PM
11	Cell service, internet, available information regarding hours and fees, more bike racks, improved trail markers, and repairs to museum front porch (very unsafe and unsightly). Also, if the area between the museum and Lake Huron MUST be cleared, please do a better job of it. It is an unsightly mess.	12/29/2022 12:22 PM
12	Road around lighthouse	12/29/2022 7:01 AM
13	History placards	12/28/2022 5:39 PM
14	Preserve	12/28/2022 9:27 AM
15	Continue to preserve	12/28/2022 9:09 AM
16	Continuous road grading and widening, debris cleanup, woodland maintenance, year-round restrooms.	12/28/2022 7:09 AM
17	While the section of land that was cleared (between the front of the keepers house) was highly debated, it really no longer matters-it just looks terrible. It needs significant improvement. It would be a great spot for an educational native plantings site, with an emphasis on attracting children to wander it safely. Visit the Otsego Conservation garden for an example.	12/27/2022 9:53 PM
18	Completion of trail system, including additional gravel on trails, repair of existing trail signage and posting of new signage along the new Lake Huron trail. The many piles of tree debris along the trails needs to be removed (it looks very unsightly at this time). Complete the cedar shingle repair of the roof of the lighthouse museum/gift shop building. Better utilization of the meeting center building for public presentations, festivals, etc. instead of an equipment/vehicle storage facility.	12/27/2022 2:41 PM
19	None needed	12/26/2022 8:29 PM
20	Basic maintenance	12/26/2022 7:58 AM
21	Open bathrooms for concerts.	12/24/2022 9:51 AM

25	Address the mole and skunk issue making the grassy areas a mess. Place trash cans near the pavilion, as well as a sanitary all-year bathroom facility so people don't use that area as an open dump. Enhance the plantings of native trees, grasses and flowers.	12/22/2022 10:12 PM
26	Fix road at lakeside pavilion. I feel the car would go into Lake Huron where it is eroding.	12/21/2022 8:43 PM
27	More picnic facilities	12/21/2022 7:18 PM
28	Maintain these valuable historic resources!,	12/20/2022 12:10 PM

37	I would like to see upgraded facilities	12/13/2022 4:33 PM
38	Out house open for winter	12/13/2022 11:13 AM
39	Happy with the recent improvements. Continued maintenance of lighthouse for safety and longevity.	12/12/2022 10:47 AM
40	A few benches along the trails for folks who need to take a load off occasionally. Adequate trash barrels at points like the pavilion. (I'm pleased that Presque Isle is generally litter-free, which is a tip of the hat to our visitors and residents who keep it that way. The periodical road cleanup projects have kept the roadsides clean, which (I believe) inspires people to keep it that way. Possibly puppy-poop-pickup bag dispensers at trail heads.	12/11/2022 12:57 PM
41	road circling the lighthouse is in terrible shape	12/10/2022 10:29 PM

52	None. Lovely as it is with regular maintenance to preserve history.	12/7/2022 12:25 PM
53	Band shelter	12/7/2022 4:35 AM
54	Better picnic areas - pave road to North Shore viewing and around light house.	12/6/2022 4:34 AM
55	Unknow, I've never been there.	12/5/2022 11:15 AM
56	Much is going on always.	12/5/2022 9:42 AM

65	Covered garbage cans. More of them.	12/3/2022 8:35 PM
66	New swings for the kids	12/3/2022 8:01 PM
67	Keep the trails natural. Keep tree roots. Don't keep widening the paths. It's beautiful and charming the way it is. Block off paths better with larger boulders so rvs don't keep using them and tearing them up. Maybe put signs and cameras up to catch folks doing this. We do have a group of rebels out here who simply will not follow the rules. The parks are beautiful you have done a wonderful job	12/3/2022 7:42 PM

73	Restrooms updated playground	12/1/2022 5:53 PM
74	Pave the road around the lighthouse.	12/1/2022 2:41 PM
75	Safety rail at end of point road Enlarged septic system for event use Parking area for Foghorn Pavilion events	11/15/2022 11:01 AM
76	Just maintain it	11/13/2022 12:31 PM
77	The parking lot that some people use is the harbor parking lot. You can then walk the harbor to pick up the trail that runs by the blue break wall. The DNR took down the restaurant but failed to also take down the enclosed 6 ft fence storage shed that housed a dumpster for the restaurant. It is an eyesore and unsafe for young children to be around. The County should tell the DNR to remove it. It would look so much better there.	11/12/2022 3:36 PM
78	None	11/12/2022 2:28 PM

4	None	12/31/2022 7:52 PM
5	Last time I was at this park, the stocks were falling apart. I feel like this has is an occurring situation throughout my life here. Repairs need to be made when they start looking rough.	12/31/2022 11:55 AM
6	none	12/31/2022 10:21 AM
7	Storm damage repairs	12/31/2022 10:07 AM

9	None	12/30/2022 4:23 PM
10	Brush and trees obstruct view from water. Needs proper brush removal and pruning.	12/30/2022 12:19 PM
11	First and foremost, REMOVE the offensive statue of the black person holding a lantern. It has no place in a public park and the patently false written explanation is an embarrassment to the Township!! Beyond that, cell service and internet are needed. Also, the landscaping needs serious improvements.	12/29/2022 12:22 PM

16	None	12/27/2022 9:53 PM
17	Glass replacement of the lighthouse cupola (due to the hail damage). The split rail fence needs either major repair or replacement, possibly in a joint venture with the DNR. The broken "stocks and pillory" need to go along with the black-faced jockey. These are silly artifacts left over when the lighthouse was in private ownership and have nothing to do area history. The blackfaced jockey is hugely offensive and an embarrassment to African American guests. These artifacts have nothing to do with area history.	12/27/2022 2:41 PM

22	none	12/23/2022 11:54 AM
23	Permanently remove the stockade and black face jockey that has nothing to do with our local history and is offensive. Hire a professional landscaper to re-establish the flower gardens and make the facilities accessible for all. Put a sign by the parking area east of the gate so families don't have to park on the road when the gate is locked.	12/22/2022 10:12 PM

Not sure how a vessel can be washed down without fresh water - not from the potentially infected lake. Having a simple washdown station would be a positive reminder for boaters to properly wash down. Possibly add a fish-cleaning station with a barrel for disposing of entrails? One common gripe is fish guts left near haul-out sites.	12/11/2022 12:57 PM

## Presque Isle Township Master Plan Survey 2022

1	Indoor public space for year round access, walking/ biking paved trail along Grand Lake Road and 638 and Kauffman - its getting too dangerous with cars and walkers/bikers AND golf carts	12/31/2022 10:21 AM
2	Again, it all depends on how things are done. I have seen amazing campgrounds in Canada, where they keep most of the trees and natural plants. However, I don't know where you would put one. I'm bummed that our dunes are getting trashed by people camping on them, where camping is not allowed. I believe we have public access on all the lakes. Maybe sell memberships to the club house, so that it is for the whole community?	12/31/2022 1:51 AM

## Q38 Please use this space to make any additional comments to help plan for the future of Presque Isle Township:

Answered: 115 Skipped: 307

#	RESPONSES	DATE
1	Maintain the natural beauty of the area. Limit new development. Do NOT turn it into a Traverse City.	1/1/2023 3:47 PM
2	Please do not add a public campground or RV park! The PIHA has a campground and Long Lake has a county campground. One of the benefits to moving to the area was that there is no public campground in the area. I do not want the extra lake traffic, noise, pollution, and population associated with a public campground!	12/31/2022 8:27 PM
3	Do not turn Presque Isle into a Traverse City destination. This will destroy the beauty and the natural northern appeal that Presque Isle has and is. More problems are created with more issues and more money to fix the problems created. Having fixed income and affordability should not be overlooked or swept under the carpet and not acknowledged as the future planning must consider many aspects of the those existing and living in the area.	12/31/2022 7:59 PM
4	More restaurants, gas stations, and a grocery store	12/31/2022 4:39 PM
5	Keep up the great work!	12/31/2022 3:34 PM
6	Create a mission statement, have a clear vision of the future of Presque Isle so that everyone can work towards it	12/31/2022 10:24 AM
7	A popular activity I participate in elsewhere that I would love to see up north is group hikes, especially night hikes with solar lights along the path. It's a great way to get familiar with the trails before venturing out on my own	12/31/2022 8:56 AM
8	Ha, I think that I probably made myself pretty clear that I hope to keep our "Nature". I know the library has had the DNR out to teach people about our wondrous native plants, etc... I hope to be able to catch more of those classes in the future.	12/31/2022 1:56 AM
9	Presque Isle is a beautiful place and everything should be done to protect its natural beauty! All new development should be heavily scrutinized to ensure it blends in with the natural beauty and takes all known environmental protections necessary to preserve the beauty for future generations.	12/30/2022 6:46 PM
10	Get rid of leash law for dogs as long as they are under control my other means (eg electrical collars )	12/30/2022 6:21 PM
11	Preservation of the natural shoreline habitat, especially for migrating birds and butterflies should be the lodestar in township planning. Structures that can be easily seen from the water/that distract from or disturb/disrupt the natural shoreline view around should be strictly prohibited. Encourage non-vehicle modes of travel, for example, with better bike and wheelchair infrastructure such as lanes and bike-parking facilities. Prioritize containing/minimizing light pollution by restricting use of LED lights (harmful to migrating birds and insects such) and incentivizing red lights around homes. Require all lights be downward focused.	12/30/2022 4:29 PM
12	Keep the rural/natural character of the township. Many here like the non-exponential growth compared to other areas (we can visit Traverse whenever we want and then return home). Most important improvements are access to reliable technology and services that don't require a drive into Alpena (like grocery basics/gas). Thank you for asking.	12/30/2022 12:42 PM
13	Limited and carefully thought out development for the future. There is a real need to protect the idyllic character of PI and to facilitate growth at the same time.	12/30/2022 12:26 PM
14	Please consider hiring a full-time facilities manager. Matt does a good job, but there is a lot that needs to be done and he cannot do everything working part-time. Restoration projects at the lighthouse parks could be funded with grant money, but there does not appear to be any	12/29/2022 12:23 PM

## Presque Isle Township Master Plan Survey 2022

effort at long-range planning and applying for these funds. Since many grants are funded through federal and state tax dollars, obtaining grants from these sources would help to return tax dollars back to PI.

15	NEED A NEW HARBOR RESTAURANT!	12/29/2022 12:05 PM
16	No commerce, leave it natural	12/29/2022 7:02 AM
17	Keep new development closed	12/28/2022 5:39 PM
18	Are there any pipelines going in or around the Township that present a future concern?	12/28/2022 4:18 PM
19	Preserve the area with no new development	12/28/2022 9:27 AM
20	We need to preserve the uniqueness of the community and nature wildlife for generations to come.	12/28/2022 9:11 AM
21	Encourage participation in governmental affairs by actively recruiting and systematically rotating board/committee members. Make it easy to "get involved!"	12/28/2022 7:20 AM
22	Priority should be improving and maintaining natural resources -because those cannot be regrown easily or quickly. Plus, the natural beauty will bring visitors and this economic growth.	12/27/2022 9:58 PM
23	We came to press kill because of the remoteness, the access to Lake Huron, the natural beauty of the area. Low population density is also a plus. We hope it will stay that way.	12/26/2022 8:30 PM
24	Allow campers on undeveloped owner lots. Keep the country COUNTRY	12/26/2022 12:03 PM
25	Less government regulations and quit trying to tell people how to live their lives. It's no secret the \$500 fee for short term rentals and the regulations that go with it help the community in any way at all. You're taking more money out of the people that are taking the risk of renting and you give them nothing but headaches & problems. 1 bad egg doesn't ruin the whole dozen; back off and let people live their lives. Tom Guyer sucks.	12/26/2022 8:01 AM
26	PLEASE consider resisting further efforts to destroy what we love (the peace, natural beauty, low population density) of this area. The proposed condos are NOT in keeping with what brought us to Presque Isle. I understand some people see change as a good thing. They want to move from big cities and then want all the conveniences of those cities. But that ruins it for those of us who love nature and a quiet life. Please consider us, too!	12/24/2022 9:57 AM
27	We want pickleball courts!! 6-8 of them - there is a large group of people who play all the time and have to attend alpena to play. The township should have courts!	12/24/2022 9:46 AM
28	Pickleball courts and better food options at the harbor would be amazing. Better bike trails and road shoulders for biking between grand lake, lake Esau and the harbor would be nice too.	12/24/2022 9:25 AM
29	Please protect Grand Lake from quarry expansion.	12/23/2022 7:00 PM
30	It's a beautiful area and space now, doesn't need development. Minimize any regulations.	12/23/2022 11:56 AM
31	I am really concerned about the number of new building sites that are clear cutting their lots. The township is allowing the natural beauty to be stripped and way too much fill ti be dumped. We need to seriously be working to make our township climate resilient. Stripping the land and destroying the natural topography will ultimately result in more shoreline erosion, loss of trees, and damage to property when the water levels ruse again. Being the place in Michigan where anything goes because there is no enforcement of local ordinances will eventually destroy the natural beauty and rich history of the community.	12/22/2022 10:20 PM
32	The PI Harbor should be improved with restaurants, closer lodging including townhouses and hotels, and other complementary commercial facilities. It is a pathway for downstate and out of state visitors for boating, with a unique and dramatic setting. We can maintain our rural charm but make this a commercial attraction and hub for PI.	12/22/2022 12:43 PM
33	Find the right balance between economic development/growth and natural resource conservation so that tax base can grow, jobs can be created, and the natural environment protected.	12/20/2022 4:21 PM
34	You need to be planning for the succession of your officials. The supervisor and zoning administrator are not healthy enough to serve in the future. Plan now so you don't find yourselves in a desperate situation in a few years.	12/20/2022 12:12 PM

## Presque Isle Township Master Plan Survey 2022

35	No major changes that take away from the natural beauty, the quiet, the lack of traffic congestion, and please please please, never ever allow a marijuana shop in our area.	12/19/2022 7:02 PM
36	In order for significant improvements and changes \$\$\$\$\$\$ to be realized, a grant writer(s) is (are) mandatory. Taxes will NEVER support the "wish list" generated by this survey.	12/19/2022 4:32 PM
37	Keep "Up North"woosy and/or classic "lake life" vibe in new businesses, public areas, and especially architecture and structures. This is what people come here for...leave all the hustle & bustle of city life behind. Be mindful of keeping dark skies for stargazing!!!	12/18/2022 3:01 PM
38	Growth is inevitable, so better planning (and applying design standards) to minimize the environmental and visual impacts is necessary. Out of scale home on North Bay was a serious planning failure	12/18/2022 11:22 AM
39	Thanks for making this survey, which demonstrates your willingness to poll the people for their ideas. Thank you!	12/18/2022 7:08 AM
40	Took years to get ramp installed at east grand lake, previous talk about Rock pier never happened, could be wrong if there was any discussion	12/17/2022 11:45 PM
41	I am most upset at how seasonals (summer and holiday visitors) misuse the recycling facilities and trash the road sides. I dread the holidays and summer for that reason. There should be fines and penalties enforced.	12/17/2022 11:27 PM
42	Need to carefully balance limited development (restaurants, retail, services) with maintaining natural beauty and "undeveloped" feel of the area.	12/17/2022 10:39 AM
43	Sign a contract with GFL that includes recycling pickups at your home like other cities, communities in Michigan. Have an occasional pickup for household items to include mattresses, small household furniture, and chemicals like unused paint so they do not end up in regular trash.	12/14/2022 9:51 PM
44	Be the watchdog to protect Lake Esau and Lotus Pond from the mining project nearby. Our lakes are our future. Any accidental chance of losing these resources must be avoided.	12/13/2022 7:18 PM
45	Please insure responsible and limited development of this beautiful, unspoiled corner of Michigan	12/13/2022 7:06 PM
46	Opportunities to develop clubs of interest (meeting place) for activities like a chess club, bird watching club, etc. So people could meet and explore that have similar interest.	12/13/2022 11:18 AM
47	We were surprised last year during the salmon run that the DNR poisoned the Trout River and left all the dead salmon on banks. Children and wildlife could and DID handle the poisoned carcasses.	12/13/2022 7:04 AM
48	Growth is inevitable and necessary for community survival. One of the township's missions is to ensure growth is planned wisely and infrastructure is in place beforehand and maintained during.	12/12/2022 6:13 PM
49	We love Presque Isle for the natural beauty and small community feel. We love that Presque Isle is quieter and not touristy. We have access to amazing natural resources (lakes, shorelines, dunes, woods, dark skies) and feel that township growth should preserve these while benefiting all in the community. With more social media presence and promoting of the area, there seems to be an increased interest in PI. We all know how wonderful Presque Isle is and we want to share this while also keeping it a secret :) to avoid becoming something too crowded and busy.	12/12/2022 11:03 AM
50	Keeping natural resources protection in the forefront for all planning.	12/11/2022 1:57 PM
51	Love the nature and character of Presque Isle Township. The township can certainly grow, but with careful planning, it won't lose the character that has drawn so many here.	12/11/2022 12:59 PM
52	limited and controlled growth, and a lake sheriff that is less of a nuisance	12/10/2022 10:31 PM
53	Get the dramatic people off Presque Isle Happenings website- No condos/no paved roads/ no new non local giant homes on water front	12/10/2022 12:49 AM
54	Thank you	12/9/2022 3:00 PM
55	More activities and things to do	12/7/2022 6:59 PM

Presque Isle Township Master Plan Survey 2022

56	Would like to see at least a second or third boat-in restaurant near the south end of Grand Lake. There are some residences on Grand Lake that do not have boats, as well as empty lots. It may be a source of income to utilize these areas for rental dock space, for example like a VRBO for dock space, or even a township public dock site that could be metered by the day/week/month/season.	12/7/2022 5:45 PM
57	A welcome packet for new property owners explaining the number one rule is to BE NICE to everyone.	12/7/2022 5:20 PM
58	Most of the people who come to Presque Isle like it pretty much the way it is.	12/7/2022 4:43 PM
59	We feel totally blessed to be in this area. Too much development or improvement could be detrimental. We are not against sharing the natural areas or Lighthouses with vacationers or tourists as long as they respect what we have. Protecting the waters and natural hiking areas is important to us.	12/7/2022 3:23 PM
60	A bike path/shoulder should be on all of e grand lake. Not ending at whiskey point.	12/6/2022 3:58 PM
61	Maintain the rural nature of the area. Have a limit on the size of new building. Too many people are building homes that are too large. Township just wants more taxes so they can yet again remodel the township hall. This is the country and people are here to enjoy nature. If they want amenities they should live in a city.	12/6/2022 11:31 AM
62	Lighten up on restrictions and ordinances.	12/6/2022 4:36 AM
63	Fire fighting capability on Long Lake Hwy side of Long Lake. Medical facility and services in township. Shopping center.	12/5/2022 11:18 AM
64	Thank you for asking for input from the residents of PI as you prepare the PIT Master Plan. May God grant you His wisdom to develop a plan that balances the need to protect this piece of paradise and meet the basic needs of its residents.	12/5/2022 11:15 AM
65	Please set a goal to preserve the special and unique place we currently have. Particularly maintain and protect the lake areas, trees and natural aspects of our township. Avoid large scale growth and development. Avoid multi use housing and chain stores/companies. Support owners of existing and unique businesses like Birch Hill, Sand Bay, Portage store, etc.	12/5/2022 9:43 AM
66	We have many visionaries. Need their inout	12/5/2022 9:43 AM
67	We come to Presque Isle for the nature. Clear cutting on the lake breaks our hearts.	12/5/2022 8:06 AM
68	Keep it native and rural. Not interested in this looking like the western side of the state. More trails would be nice	12/5/2022 7:28 AM
69	I'd like to see more activities for those of us on the lakes	12/4/2022 4:47 PM
70	Conservation of the natural resources (lakes, woods) should be a priority -- always. Finding a way to provide broadband internet service throughout the township at a reasonable cost.	12/4/2022 1:01 PM
71	High speed internet is a big one for us.	12/4/2022 12:19 PM
72	1) Remove the lighted sign in front of the TWP Hall. It's an eyesore and not consistent with the rustic environment that PI has to offer or with our dark sky designation. 2) bring in quaint restaurants and businesses and avoid pole barns and storage buildings visible from the roads.	12/4/2022 12:16 PM
73	I am glad you are asking. Please keep the balance of beauty, charm, friendly, low /no poluting. Please keep hotels, box stores, condo development out of Presque Isle. I love this place because it is NOT Harbor Springs or Traverse City. It would be a good thing to have an urgent care type place and a year round grocery. I would also keep the committee going that is thinking about the quarry property. When that business leaves, what goes in that spot could be a community setting, camp ground, county park or even a wind farm. That space could be a down town which would give business opportunities to the year round residents.	12/4/2022 9:56 AM
74	Must have virtual capability for all meetings. Better cell phone and internet coverage for residents.	12/4/2022 8:17 AM
75	I think advertise the what is available like the trials (atv/snowmobile/walking)	12/4/2022 8:12 AM
76	We bought our future retirement home on Lake Esau mainly because of the beauty of this area. We do not in any way support development! If people can't drive 20 minutes to the grocery store, they should not live here. This place is a treasure. Let's keep it this way	12/4/2022 7:38 AM

77	Another convenience store would be nice. More housing choices. Public access to Grand Lake for swimming & also Lake Huron for swimming.	12/4/2022 6:28 AM
78	Please don't lose what makes PI special by trying to be another Traverse City, Petoskey or Harbor Springs. And for Heaven's sake please dont emulate Alpena! Their leadership has turned a once great town into a place that has lost its shine and personality.	12/4/2022 12:13 AM
79	Thank you for the effort put into this survey. It's clear that it is a thoughtful collective effort. I look forward to learning about the responses and the next steps.	12/3/2022 10:29 PM
80	Review destruction of communities by short term rentals in western Michigan. Transients are detrimental to elderly residents, children, grand children, single women. They harm the environment, wildlife leave from the noise and properties are not maintained as owners live in far away towns and have no interest in our community.	12/3/2022 8:12 PM
81	People that move here and live here full time and those that vacation here seasonally love the area as it is ! It has been unspoiled by man and has a primitive feel. That's THE draw here for folks!! Again ,, we have not been developed and that's what attracts the majority of folks that come here! We enjoy the beauty and quiet. We escape the craziness of busy city's and suburbs. We enjoy the sounds of nature when walking on the trails. Presque Isle is a getaway from the hustle and bustle of the real world and all of its stressors. This is what makes it luxurious to live here ! The majority of people choose to live without big box stores and amenities near by. Alpena and Rogers city have all that I need personally and it's worth the drive. It's close enough. I Hear this from anyone else I talk to when I ask them what brought them to Presque Isle. I pray it doesn't change too much. I work here in the association and hear the same sentiment from most folks.	12/3/2022 7:55 PM
82	Meaningful development is fine but development just for the sake of development isn't worth it	12/3/2022 7:39 PM
83	A downhill ski resort would be great	12/3/2022 4:11 PM
84	Please stop trying to turn this in to the west side of the state. That's why we are here. Occassionally, we go to Petosky and when we get home, we are glad we are back. Government doesn't have to always be doing something. We are a family that believes in less government and its intrusion.	12/3/2022 4:07 PM
85	Slow but well intentioned growth. Support full time residential living atmosphere.	12/3/2022 1:26 PM
86	People shouldn't influence other people (residents) in a letter about never putting in a road all around Grand Lake.	12/2/2022 11:31 AM
87	Keep up the great work and thank you for this opportunity to comment. Smart building, eco focus, great design, and putting smart touches into everything is what PI is all about and should be all about in the future!	12/2/2022 10:28 AM
88	Cars and trucks do not observe the speed limit of 35 mph in the heavily residential/business stretch on E Grand Lake Rd. The speed limit needs to be reduced to 25 mph and it needs to be enforced from the fire station to the intersection of E Grand Lake Rd and Highland Pines.	12/1/2022 2:43 PM
89	Music festival	12/1/2022 12:46 PM
90	Develop township map indicating points of interest and public grounds	11/15/2022 11:04 AM
91	We are new full time residents. Moved here bc our former area (Leelanau county) is now too busy with tourists. We understand development and change is inevitable but we don't want to be held hostage in the summer from huge crowds of visitors.	11/14/2022 1:01 PM
92	Try to make township more appealing to younger families	11/12/2022 6:18 PM
93	I am concerned about the damage to Grand Lakes bottom from wake boats that are churning it up. See Article below: LANSING, MI — Powerful wakes thrown by specialized boats which people surf behind is drawing scrutiny from state officials, who are recommending restrictions on where and how the boats can operate on Michigan's inland lakes. The Michigan Department of Natural Resources (DNR) is proposing larger shoreline buffers and lake depth requirements for people operating "wake boats," a type of heavy-draft inboard motor powerboat designed for wakesurfing, a watersport that's growing in popularity. This is a real problem for shallower lakes such as our beloved Grand Lake. I hope the township explores this real life issue.	11/12/2022 3:39 PM
94	Stop the fire works. Think about what the trash is doing to nature and our lakes.	11/12/2022 2:28 PM

95	Plenty of summer activities~ Would like better marked, accessibility for snowmobiling, cross-country skiing, snowshoeing. Thank you	11/12/2022 11:06 AM
96	Slow down. It's not the west side of the state. People are here for the beauty and the LACK of of over development!!!	11/12/2022 8:47 AM
97	maybe add a casino	11/11/2022 8:59 PM
98	Encourage participation of community & cordiality	11/11/2022 7:42 PM
99	The main roads in the townships are terrible. Thompson's harbor should be opened to snowmobiles for a trail that passes through on the power lines at the very least. The township does not need any additional ordinances	11/11/2022 5:19 PM
100	I would hope we can preserve the existing/historical qualities of the area. It would be very bad if we became like the west side of the state; expensive, over built up, etc. We need to preserve the quiet, historical and quant aspects we had and love...	11/11/2022 4:22 PM
101	No development- Leave things alone - PI is one of the few areas where development has not taken iover	11/11/2022 3:43 PM
102	I vacationed her for 25+ years and decided early on I wanted to retire here. While I'm not retired I had the opportunity to move here and took advantage of that. I couldn't be more happy with that decision so far. I don't want to see this area exploited. There are plenty of opportunities for housing and retail growth in either Rogers City or Alpena. I'm happy to travel to get to services and stores. This area is magical spot in the world and it needs to stay that way. We need to work to keep it a beautiful and peaceful place to live.	11/11/2022 3:40 PM
103	Be very very careful about growth and change. Once the township goes forward with development, there's no turning back. This is a very beautiful special place that needs to be tended and cared for with the beauty and the isolation in mind. If you want to live with all the city conveniences, moved to the city. If you want to live out here where it's quiet and beautiful with nature. Then we need to encourage the township to leave things alone or go really slow	11/11/2022 2:46 PM
104	We do not need condos , low income housing etc. in the township. We have plenty of available lots for sale that are very reasonable with city water within the development.	11/11/2022 1:48 PM
105	Thank you for surveying the tax payers and visitors to the area! We don't need huge changes to make this a better place for everyone.	11/11/2022 12:08 PM
106	I love the naturalness of this area and hope it is maintained. I think people move here for that reason. They know they'll have to look elsewhere for medical, office, shopping, etc. it's so very special because the charm of this area is preserved. Please keep it that way. And no more condos.	11/11/2022 12:01 PM
107	I think you should allow smaller homes to be built, modular, container, homes that are more affordable. You should allow larger garages to house an RV or develop into a guest house.	11/11/2022 10:35 AM
108	We live here because of the seclusion and while we love the events and would love to see more happen, it's a fine line. We would not want to see the area over run into a tourist trap or short-term vacation spot where crime, noise and pollution follow with no pride of ownership. The people who come here know are aware and take care with the wildlife. This is valuable. That quickly gets lost with short term vacationers.	11/11/2022 10:26 AM
109	Time for the current Township Leadership to retire and allow the nextgeneration to plan the future-they are the ones who will be livong here then! Speeding must be addressed on East Grand Lake Rd- especially early am when the pickup trucks going to work at Larfage all but run you off the road. This is true at any shift change TRASH on Grand Lake Rd- not only the bottles and cans beibg thrown but all the "free" stuff left on the road side	11/11/2022 10:15 AM
110	No commercial property or multi housing	11/11/2022 10:03 AM
111	Growth is not always better. The appeal of grand lake is its small community.	11/11/2022 9:56 AM
112	Better internet. Get rid of water company	11/11/2022 9:34 AM
113	Contain/ control growth	11/11/2022 9:12 AM
114	I feel like we are behind the ball on trail systems for ATV and ORV. In the last decade side by sides and ORV have become so popular that without a trail system but with so many people	11/11/2022 8:33 AM

115	Please open the power line through Thompson harbor towards Posen as a mix use trail. It used to be open until current DNR who hates anything recreational and from I hear working at all shut it down. Added boulders, gates and everything. To block a few older local people from use that had been using it long before.	11/11/2022 8:16 AM
